

## **Foundation Stage and Key Stage One Activities in case of School Closure**

When school is not open you can continue your learning at home!

You can:

- Read a story and draw what happens
- Paint a picture
- Listen to a piece of music and draw patterns/ pictures of how the music makes you feel
- Make a dance up
- Follow baking instructions and cook something good to eat
- Go on a shape hunt
- Look through old photographs and notice the differences
- Build a model and write or draw the instructions on how to make it
- Junk Modelling
- Make a collage of different faces, cars or flowers cut from newspapers or magazines
- Research an animal or a famous person
- Write and illustrate a diary
